

# RB 150

OPEN PLATFORM LIFT

MADE IN EU

# RB 150

## Open Platform Lift

RB150 is a Open Platform Lift, also known as Wheelchair Lift, which provides internal or external vertical travel up to 2 meters.

Our Open Platform Lift can accommodate changes in level from 600 mm up to 2000mm in commercial and domestic environments and is appropriate alternative solution to a fully enclosed platform lift.

RB150 is specifically designed for applications with little or no alterations to existing buildings.

The open type design offers an aesthetically pleasing solution with brushed stainless steel finish as option. The lift provides a safe and easy way to gain access to a property where stairs would otherwise prevent wheelchair access.

It is designed to give customers choice and flexibility. RB150 Wheelchair Lift is a space saving and cost effective way to provide access for everyone to your home or workplace.

All our lifts are supplied with a 12-month warranty, as standard, and we offer a range of maintenance and service options, which can be tailored to suit your specific requirements.

## BENEFITS

- MODERN LIGHTWEIGHT DESIGN
- STAINLESS STEEL CONSTRUCTION AS OPTION
- LOW SPACE REQUIREMENTS
- HIGH LEVEL OF SECURITY
- SIMPLE TO USE
- NO PIT REQUIRED
- SIMPLE TO INSTALL AND EASY TO SERVICE
- OVERALL LOW MAINTENANCE AND RUNNING COSTS
